The Why

The Video Team exists to capture the worship and spoken word in each service, providing online viewers the opportunity to engage with Point Church in our efforts to Experience God.

The Win

Producing the Point Church Worship Experience in an online environment that encourages people to participate in the service and experience God in whatever space there are viewing from.

Guidelines

- Arrive on time and attend the Service Production Team Huddle.
- Connect and communicate with your Service Production Team members.
- Refrain from using your cell phone while serving.
- If you will miss your opportunity to serve, please inform your scheduler.
- Ensure all video equipment is working properly.
