

ONLINE CHAT HOST

The Why

The right atmosphere for worship is achieved by important aspects working together to produce the ideal environment for someone to Experience God. The Online Chat Team exists to create friendly and engaging interaction with guests during the online worship experience.

The Win

Creating a welcoming and interactive space for guests to experience God online, as well as connecting with guest through prayer.

Guidelines

- Arrive on time and attend the Service Production Team Huddle.
- Connect and communicate with your Service Production Team members.
- Refrain from using your cell phone while serving.
- If you will miss your opportunity to serve, please inform your scheduler.
- Be familiar with speaker and worship content.
- Ensure all online chat media equipment/applications are working properly.
- Use wisdom and Point Church principles in all social media chats.
